SUCKERS

LIFE SUCKS BEHIND THE GLASS !

This is a different non dialogue slapstick comedy:
 direct, a little bit irreverent and yet beautiful.
 It's a selection of funny reality bites from Travis and a group of peculiar
 toys which live behind the rear windows of cars.
 They're mean, naughty, and mischievous. They're all SUCKERS...
 but sort of harmless. Their interests, their dreams, their fears,
 their ambitions, their challenges... and also the things that bother them.
Welcome to the secret life of Suckers!
