ZIP & ZAP

MEET THE MONSTERS

Zip and Zap had never believed in any kind of monster until the day their friend Invi stepped three times on the gap between two floor tiles without realising that it would put a curse on them.

They had just opened the gates to the monster world! From that moment, everywhere they go is full of monsters and other strange creatures, so Zip and Zap, who love taking chances, embark with their friends Pewey, Invi and Wanda not to mention the not so friendly Noggin and Evilina on a mind blowing, gigantic, adventure to try and put the monsters back where they belong.

Can Zip and Zap save us from the world of monsters?
